POPULAR WOODWORKING

Don't Drool
On the Tools

**Sindelar
Collection**

A close-up photograph of a metal watch component, likely a rotor or a part of the movement. The component is made of a light-colored metal, possibly stainless steel or aluminum, and features a circular hole with a brass-colored ring around it. The word "Paris" is engraved in a serif font on the upper part of the component. The background is a wooden surface with a checkered pattern.

Paris
